

Please refer to the sample check below to identify the placement of your bank's nine-digit routing number and your bank account number if you wish to have your EFT payments drawn from your checking account.

Your bank's routing number is the nine-digit number at the bottom left of your check. Your bank account number is to the right of the routing number. Do not enter any non-numeric characters in your bank account number. Do not enter the check number as part of the account number. If you have any questions about these numbers, please contact your bank or financial institution.
